Model 401
Countertop
Soft Serve Ice Cream /
Yogurt Machine

The **SaniServ** Model 401 Soft Serve and Frozen Yogurt Machine provides high profit, consistent quality soft serve and yogurt products anytime anywhere! Fewer parts to clean and sanitize means rapid disassembly and assembly and the ease of operation makes the 401 a favorite among owners and operators. The increased production, capacity and recovery time make the 401 a perfect piece of equipment for satisfying customer demand and providing the frozen treats they want!

Space Saving

Small Footprint Design - **SaniServ** model 401 saves valuable floor space and turns the countertop into a real profit center by serving high profit ice cream and yogurt products.

Easy Cleaning and Operation

Fewer Parts = Simplified Cleaning – **SaniServ** equipment is designed and built with the fewer parts to be disassembled, cleaned and sanitized than any other machine in the industry.

High Return on Investment

Increased Profits – **SaniServ** machines combine efficiency with consistent product quality and fast quiet operation while insuring customer satisfaction with high profit ice cream or yogurt products.

Quality Design

Durability – **SaniServ** machines are built to achieve long and dependable life through simplicity of design. Every machine is shipped standard with a stainless steel exterior, durable steel interior frame construction, heavy-duty components and consistency systems.
