Model 414

Floor Model
**Soft Serve Ice Cream /
Yogurt Machine**

The **SaniServ** Model 414 Soft Serve and Frozen Yogurt Machine provides high profit, consistent quality soft serve and yogurt products in a traditional single barrel design! The ease of operation of the model 414 is a favorite among owners and operators. The high production, capacity and recovery time insures the 414 is a perfect piece of equipment for satisfying customer demand and providing the frozen treats they want at any time!

Space Saving

Compact Floor Model Design - **SaniServ** model 414 provides a high volume of soft serve and frozen yogurt products in the traditional floor model design. Operators can turn that valuable floor space into a high profit center by providing frozen treats customers enjoy!

Easy Cleaning and Operation

Fewer Parts = Simplified Cleaning – **SaniServ** equipment is designed and built with the fewer parts to be disassembled, cleaned and sanitized than any other machine in the industry.

High Return on Investment

Increased Profits – **SaniServ** machines combine efficiency with consistent product quality and fast quiet operation while insuring customer satisfaction with high profit ice cream or yogurt products.

Quality Design

Durability – **SaniServ** machines are built to achieve long and dependable life through simplicity of design. Every machine is shipped standard with a stainless steel exterior, durable steel interior frame construction, heavy-duty components and consistency systems.
