Model 601
Countertop
Shake Machine

The **SaniServ** Model 601 Shake Machine provides a high volume of smooth quality shakes! With its increased production and recovery time, owners and operators can always provide plenty of high profit shake product even during peak operating periods. As always, adding an optional Drink Spinner and Syrup Rail for flavors can create customer favorites. The 601 provides customer satisfaction every time by insuring their favorite shakes are always available!

Space Saving

Small Footprint Design - **SaniServ** model 601 saves valuable floor space and turns the countertop into a real profit center by serving a large volume of high profit shake beverages.

Easy Cleaning and Operation

Fewer Parts = Simplified Cleaning – **SaniServ** equipment is designed and built with the fewer parts to be disassembled, cleaned and sanitized than any other machine in the industry.

High Return on Investment

Increased Profits – **SaniServ** machines combine efficiency with consistent product quality and fast quiet operation while insuring customer satisfaction with high profit ice cream or yogurt products.

Quality Design

Durability – **SaniServ** machines are built to achieve long and dependable life through simplicity of design. Every machine is shipped standard with a stainless steel exterior, durable steel interior frame construction, heavy-duty components and consistency systems.
