Model 608

Countertop

Shake Machine

with **AccuFreeze Control**

The **SaniServ** Model 608 Shake Machine provides smooth quality, high profit shakes anytime, anywhere! Owners and operators can easily add high profit shakes to any menu and provide quality drinks everybody loves! By adding an optional Drink Spinner and a Syrup Rail for flavors, customers can also enjoy a wide flavor offering of quality shake products that keep them coming back for more of their own personal favorites! Also available in a Smoothie version.

Space Saving

Small Footprint Design - **SaniServ** model 608 saves valuable floor space and turns the countertop into a real profit center by serving a large volume of high profit shake beverages.

Easy Cleaning and Operation

Fewer Parts = Simplified Cleaning - **SaniServ** equipment is designed and built with the fewer parts to be disassembled, cleaned and sanitized than any other machine in the industry.

High Return on Investment

Increased Profits - **SaniServ** machines combine efficiency with consistent product quality and fast quiet operation while insuring customer satisfaction with high profit ice cream or yogurt products.

Quality Design

Durability - **SaniServ** machines are built to achieve long and dependable life through simplicity of design. Every machine is shipped standard with a stainless steel exterior, durable steel interior frame construction, heavy-duty components and consistency systems.
