*Great for Restaurants, Buffets, & Ice Cream Shops*

**Model 614**  
**Floor Model**  
**Shake Machine**

The **SaniServ** Model 614 Shake Dispenser provides high profit, consistent quality shakes in a traditional single barrel flavor design! The 614 ease of operation is a favorite among owners and operators. The high production, capacity and recovery time insures the 614 is a perfect piece of equipment for satisfying customer demand. By adding a drink spinner and syrup rail, the 614 is sure to provide everyone's favorite shake flavor!

### Space Saving

*Compact Floor Model Design* - **SaniServ** provides a high volume of milk shake in the traditional floor model design. Operators can turn that valuable floor space into a high profit center by providing consistent high quality shakes customers demand.

### Easy Cleaning and Operation

*Fewer Parts = Simplified Cleaning* – **SaniServ** equipment is designed and built with the fewer parts to be disassembled, cleaned and sanitized than any other machine in the industry.

### High Return on Investment

*Increased Profits* – **SaniServ** machines combine efficiency with consistent product quality and fast quiet operation while insuring customer satisfaction with high profit ice cream or yogurt products.

### Quality Design

*Durability* – **SaniServ** machines are built to achieve long and dependable life through simplicity of design. Every machine is shipped standard with a stainless steel exterior, durable steel interior frame construction, heavy-duty components and consistency systems.
