Model 824

Floor Model
**Soft Serve Ice Cream and
 Shake Machine**

The **SaniServ** Model 824 Twin Flavor Soft Serve and Milk Shake Machine can provide not one but two favorite high profit, consistent quality soft serve and shakes products in a dual barrel design! The ease of the model 824's operation and product versatility is a favorite among owners and operators. The high production, capacity and recovery time insures the 824 is a perfect piece of equipment for satisfying enough of any two customer favorite frozen treats at any time! Add a *Syrup Rail* and *Drink Spinner* to offer a wide variety of products like malts, sundaes, ice cream treats with add-ins and cones.

Heavy Duty

Traditional Floor Model Design - **SaniServ** model 824 provides a high volume of two flavors of soft serve and shake products in the traditional floor model design. Operators can turn that valuable floor space into a high profit center by providing two frozen favorite treats customers enjoy!

Easy Cleaning and Operation

Fewer Parts = Simplified Cleaning - **SaniServ** equipment is designed and built with the fewer parts to be disassembled, cleaned and sanitized than any other machine in the industry.

High Return on Investment

Increased Profits - **SaniServ** machines combine efficiency with consistent product quality and fast quiet operation while insuring customer satisfaction with high profit ice cream or yogurt products.

Quality Design

Durability - **SaniServ** machines are built to achieve long and dependable life through simplicity of design. Every machine is shipped standard with a stainless steel exterior, durable steel interior frame construction, heavy-duty components and consistency systems.
